**RESPONSE TO NOTIFICATION OF A DEFECTIVE RESPONSE AND
SUBMISSION UNDER 37 CFR §1.821- 1.825 OF A SEQUENCE LISTING IN
COMPUTER READABLE FORM AND AMENDMENT DIRECTING ENTRY INTO
SPECIFICATION**

Sir:

This paper is responsive to the Notification of Defective Response mailed April 08, 2002, setting a one (1) month term for response. Also in response to the Notification of Defective Response and in accordance with 37 CFR §1.821-1.825, Applicants hereby submit a courtesy copy of one (1) diskette containing the computer-readable information for the "Sequence Listing" of the above-identified application. The diskette complies with the requirements of 37 CFR §1.824 and is IBM PC compatible using a Windows NT Operating System with WordPerfect software. The content of the "Sequence Listing" paper copy is identical to the computer readable copy, as required under 37 CFR §1.821(f).

Applicants submit this amendment to request entry of the enclosed paper copy of the sequence listing from International Application Number PCT /US99/19072 into the above-identified U.S. national phase application.

REMARKS

The Notification of Defective Response indicates "[T]he 3rd inventor is shown differently on the Declaration than on the International Application. Please clarify."

Applicant/Inventor Chandra Patterson was her correct name at the time the PCT application was filed. Since then, she has married and changed her name to Chandra Arvizu. Since that was her name at the time she executed the Declaration, she signed that name.

Applicants respectfully submit that the \$130.00 surcharge for providing an oath or declaration later than the appropriate 30 months from the priority date was submitted on October 11, 2001, at the time of filing the response to the Notification of Missing Requirements. A courtesy copy of the transmittal filed on October 11, 2001 is enclosed herewith. If the USPTO determines that an additional fee is necessary, please charge any required fee to Deposit Account No. **09-0108**.

Respectfully submitted,
